Both Dutch Leonard and Carl Weilman throw one hitters in a classic duel.

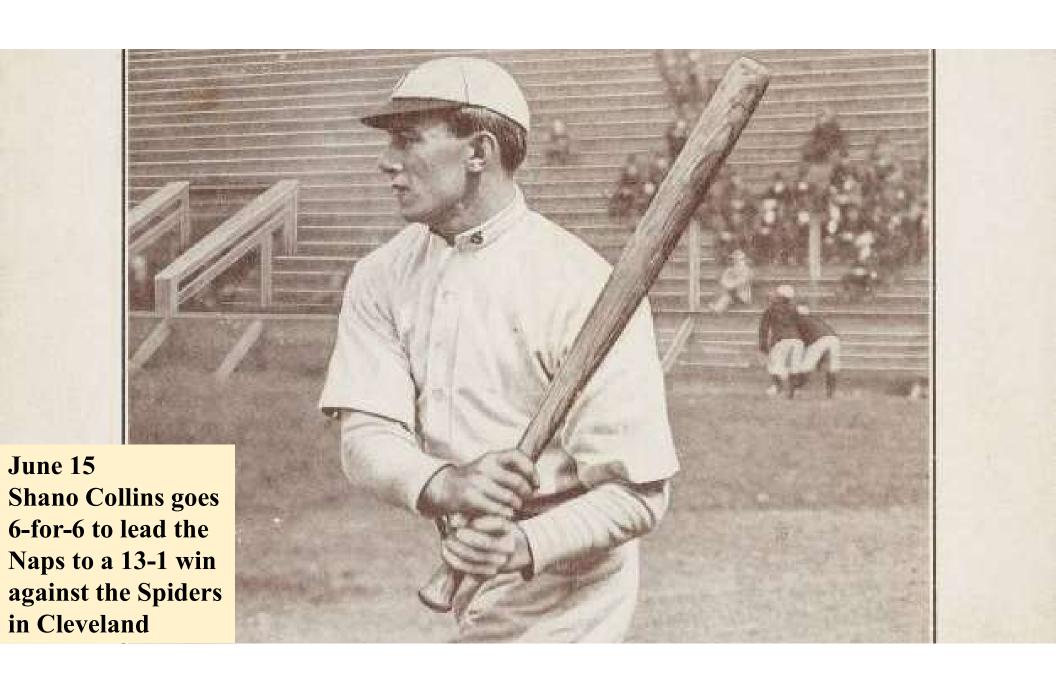

Joe Riggert's 3rd inning home run is the only hit that Carl allows, while Les Nunamaker's triple is the only hit given up by the victorious Leonard as Bergen edges the Mules, 1-0 in Buffalo.

"The Bridge Too Far Series!"

Starrucca led the league in Wins this season, but, they LOST the seasons series to Grand Rapids! (the only other team they lost to this year was Hereford.....who ALSO is in the Playoffs Final Four).

That doesn't sound good for Starrucca.

Can they beat the Top Teams? Or do they just pick on the Weak Sister Teams?

Its easy to threaten Greenland.....but those Wolverines can bite back!

Grand Rapids LED the league in Team ERA!

16 Teams	ERA	G	CG	SHO	QS	SV	IP	н	R	ER	HR	SO	BB	НВ	WP	BK	OBA
Grand Rapids Wolverines	2.33	153	86	25	100	14	1378.0	1068	458	356	16	593	447	48	23	0	.213

- -They also led in Shutouts, with an amazing 25 of them!
- -Add to that, the Wolvies gave up the least amount of Hits and Runs, and the Spans are going to have to find ways not only ON Base, but also ways to cross Home Plate!
- (3 of 4 Playoff Teams are in the Top 4 ERA. The Naps are the 4th Playoff team, but are Below League Ave in pitching. Gerry never worries about pitching if he has three firstbaseman that walk and hit for power!) ☺

For the Ainspans to emerge the victor in this series, they will have to do it with their bats! They LED the league in Runs per Game, and did it mostly with their Big Stick. (No, not THAT big stick) They did it with the Home Run. They led the league in that by a goodly margin, and TRIPLED the Home Run Output of Grand Rapids! Spans aren't known for stealing bases, as the Stick Fiehl-led team has been called a Chicken on the Basepaths.

So if we're going to beat The Wolvies, we're going to have to beat their All Star Pitching Staff led by Bill James. Not only did James tie for the league lead in Wins, with 27, and Shutouts with 8, but he is also developing these crazy theories about Player Values,.... something called Sabermetrics.

I'm not sure how he can hit the ball very far with these things.....but, I guess that's not going to take hold for at least another hundred years.

And here's a Constitutional Crisis: James, in over 300 innings, has given up ZERO homers! None! Nada! Bubpkus! Its going to be hard to damage him in a short series. Or a long series. Or ANY series! If we can't win these with homers, maybe we can do it with Triples and "Miller Plays"!

Our gameplan has just been illuminated to us: We gotta beat every Grand Rapids pitcher NOT named Bill James if we are to win this series! Because there is potential here to have to face him in 3 games. Seven minus three leaves only 4 games. We'll have to win every one of those if we want to move forward.

Should be fun to try!

PLAYBALL at 7 pm!

Marty

- Two very good teams met on Zoom to battle this one out.
- The Wolverines had the best Team Pitching and the Ainspans scored the most runs per game in the league.
- So its going to be strength vs strength, and we'll see who wins out.

GAME 1:

- A doozy of a tight game! We both have our pitching Aces in there, and they both do their job today.
- Bill James (GW) tosses TEN innings, and only gives up 4 hits, and 1 run.
- Ernie Shore (SO) tosses SEVEN inning, with 3 hits and 1 run.
- The game goes extra innings!
- Top 11: in what was arguably the most exciting play of the game....With GW catcher Ainsmith on firstbase, Eddie Murphy (not THAT eddie murphy) gaps a double, Ainsmith rounds third, Cravath uncorks a throw, and with the game on the line, there's a play at the plate! When the dust settles; Ainsmith is OUT!!
- (with Murphy taking 3b on the throw)
- When both mgrs. hearTbeats return back to 60 or so, Ray Morgan (GW) bloops a stinky single over second, and the runner trots in from third to score the go winning run.
- All that drama at the plate on the double, and then its followed by a measly single to win it.
- Cicotte (GW) comes in for the Save, getting three quick outs, 1-2-3!
- The Wolverines win the Opener, 2-1, in a tense and enjoyable 11 innings!

GAME 2:

The Wolverines come out snarling.....score 3 runs right off the bat....and knock out my starting pitcher early, leaving us to put up 6 innings of relievers.

Spans had a couple rallies fizzle out, but, we always seemed to push 1 run across the plate, even if it took a Double Play ground out to do it. Disappointment turned into a comeback, as we did this for five innings in a row!

Going into the 8th, we have a 5-5 Tie!

I bring in my last available pitcher, Aitchison in the 9th, (other than the 1*w that is there just for show) and tell him its his game, one way or the other.

Bot 11....we have Chick Gandil on third, with one out.

Oscar Stanage, our sub-200 hitting catcher, but the only one left, comes to the plate. Oscar's claim to fame for us this year is he was one of the Top 5 in hitting into double plays, and not in a good way.

The Wolverines infield is playing IN.....

.....and the pitch to Stanage.....

Ainspans pull it out, with our second game in a row that goes 11 innings! Each team with an exciting plate at the plate.....and one win apiece!

Both teams took a break to swallow an extra pill of heart medication.

GAME 3:

Ray Fisher (SO) got hit around so fast and quick last game, that he still has enough WB's left to start again today, and he can't get hammered like that twice in a row.....can he?

Well, rumor had it that Ray was tipping his pitches yesterday, but today, he ain't.

He pitches like a pro, and holds GW down to 1 run and 4 hits thru 8 innings.

In turn, we are in a 1-1 ballgame thru 7 complete, and both teams are wondering if they can absorb another extra inning ballgame.

Starrucca takes care of that concern when they bang out back to back doubles to break the tie, go up 2-1, and then pinch hitter Armando Marsans does the Mambo with his bat, and lays down a perfect suicide squeeze, to push one more run across the plate. 3-1 Starrucca so far.

Bot 9.....GW leads off with a double from Sam Crawford. (so far, Crawford has been quiet). But reliever Pug Cavet gets three outs in a row before Crawford can cross the plate.

Starrucca WINS game 3 by the score of 3-1.

GAME 4:

Home Run Baker(SO) and Sam Crawford (GW) have big games, with each getting 4 hits apiece! Crawford who has led the team and league in various offensive categories has been in somewhat of a coma, but he's coming out of it now, and the Wolverines are in need of his bat.

And it's a rematch of both teams pitching Aces, as Bill James (GW) and Ernie Shore(SO) go at it again.

Today, Ernie makes it safely to shore with an 8 inning, 1 unearned run, effort.

Bill James faces some undertow, being taken down for 3 runs in 7 innings.

But it was the bullpens that won and lost it for their respective teams in the 8th and 9th innings.

Spans put some on the board and go up 5-1, late, and then Grand Rapids rallies, and rallies big. They put 3 on the board to tighten it to 5-4.....and with second and third occupied by Wolverines, two outs, we bring in our 3rd Reliever of the inning to face Fred Snodgrass.

A single will score two and win it......here's the pitch.......

The FOURTH tight game in a row for these two teams, both mgrs. have added 1 Dog Year onto their chronological ages! :-0

GAME 5...

Grand Rapids knows the pressure is on, as they have to win 3 in a row to advance. They've got the pitching to do it.....but Spans also have the hitting to get that 1 win in the next 3 games that they need.

Its another low scoring nailbiter, 1-1, thru five complete.

If the Rains came now.....it would sure add a nice twist to things.

But it isn't the rains that follow, its hail.

A hail of Starrucca hits pound the Wolverine pitchers. We continue to score in the last four innings of the ballgame and when the dust clears...its 9-1 Spans.

Starrucca wins the series 4 games to 1, but other than the very last game, every one of these games was a battle that could have gone either way. Heck, the first two games were 11 innings! I appreciate the enjoyable time I shared with Jeff, and Woody as our VIP Spectator! (He got the best seat right behind Home Plate).

The Span mgr will admit that luck had a lot to do with this as we probably got the majority of good breaks, and although we got thrown out on a busted H&R play in Gm1, I don't recall ANY other time in the next 4 games when that call didn't result in a single or at least moving the runner over. Luck like that doesn't happen too often, I'm just happy it was in the Ainspans favor.

The Wolverines were without their 1st String catcher, so they spotted us one Regular coming in, but they still gnawed and snarled and clawed their way every inning with the best they could send to the plate.

The GOAT of the series, and not in a good way, I mean as a real goat, was Ed Konetchy, firstbaseman. He played every inning of every game, and went 1 for 19. No runs, no rbi's, no help. He stranded more people than Dunkirk, killed more rallies than a tariff, and was more disappointing than Bob Dole on his honeymoon.

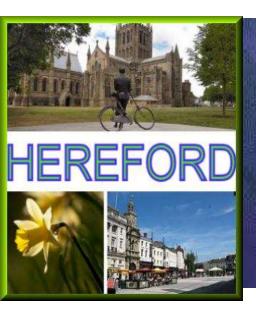

As a team, GW put up a great fight, but now, they can lay back a bit and enjoy the upcoming Draft, while the Ainspans will have to re-arm and try again versus the winner of The Naps vs Hereford series.

SEITZ DIVISION CHAMPS HEREFORD HIGHLANDERS

VS

McCORKINDALE DIVISION CHAMPS CLEVELAND NAPS

The McCorkindale and Seitz Division winners faced off in a seven game series over Zoom.

Game 1: Hippo Vaugn vs. Wilbur Cooper

Hereford took an early lead when John Leary drove in Art Fletcher and Stuffy McInnis while Cooper mowed down the Naps. Cleveland eventually snapped out of their funk in the 7th when they scored one. But everything change in 8th when the Naps put a five spot on the board. Vaughn went the distance, giving up on those two early runs on four hits. Unfortunately the Naps' offense took a big hit when cleanup hitter Jack Fournier went down for five days.

Cle 6 - HH 2

Game 2 Harry Coveleski vs. Rube Foster

Foster was nearly perfect for the Highlanders. Bescher reached on a Lobert error to lead off the game and that was the only baserunner he allowed until an infield single in the fifth. Then nothing else the rest of the way. McInnis had three hits and two RBIs and Fletcher had a pair of doubles and two RBIs.

HH 5 - Cle 0

Game 3: Red Ames vs. Hippo Vaughn

Birdie Cree tripled and scored on a passed ball in the first inning for Hereford. Cleveland responded with two doubles and a triple in the bottom of the inning to take the lead. They held it until the 7th when Paskert and Cree drove in a pair. Pete Schneider came on to get the three inning save.

HH 3 - Cle 2

Game 4: Wilbur Cooper vs. Erksine Mayer

Bescher led off with a single and a stolen base for the Nap, but was called out when hit by a ball batted by Eddie Collins. Collins then scored on a double from Red Smith. Cooper only gave up one more hit the rest of the game. Lobert had three hits and Fletcher two.

HH 4 - Cle 1

Game 5: Rube Foster vs. Harry Coveleski

It threatened to be a quick end to the series with Hereford's grade 17 on the mound. The fans hoped for a pitcher's duel and weren't disappointed. Both starters went the distance and gave up only 6 hits. Both teams had only two extra base hits (a double and triple for each) and Hereford turned two double plays. Coveleski walked two and Foster four. At the end of the day it was a Red Smith RBI that made the difference as Cleveland survived to send the series back to Hereford.

Cle 1 - HH 0

Game 6 - Hippo Vaughn vs. Red Ames

Finally a high(ish) scoring game by both teams! Hereford got things started in the first. Burns walked then reached third on a hit and run by Cree. Burns scored on a sac fly and Cree came in on a Fletcher single. Cleveland scored one in the second and Hereford one in third. In the fourth, Smith led off with a walk and freshly returned Fournier singled. They moved up on a wild pitch before scoring on a fielders choice and Clarke single. All tied up. Red Ames helped his cause with a home run (the first of the series) in the bottom of the inning. The Naps got that back but the Highlanders scored twice more in the 6th. Red Ames went out in the 9th with a two run lead. After two quick outs, Hy Myers had a pinch hit triple. Eddie Collins drove him with a double followed by another double from Red Smith. All tied up again.

Cleveland brought in Christy Matthewson to try to send it extras. As I was sending out Rip Williams to pinch hit, Gerry mentioned that Christy's M might be a problem. I was in the middle of responding "well we don't have too many home runs in this lineup" when Williams blasted one over the left field wall.

HH 7 - Cle 6

Congrats to Gerry on a great season and thanks for the enjoyable series. Hereford will take on the winner of South Starrucca and Grand Rapids. I believe this is the first Hereford team in the World Series.

MAHLEY DIVISION CHAMPS SOUTH STARRUCCA AINSPANS

VS

SEITZ
DIVISION CHAMPS
HERE ORD HIGHLANDERS

South Starrucca and Hereford faced off with some fans in attendance for the 1915 World Series.

Game 1: Wilbur Cooper vs. Ernie Shore

The Ainspans took a 3-0 lead before they recorded an out. The first two batters reached base and Gavy Cravath tripled them in before scoring himself. It wasn't the best start for the Highlanders. But neither team wanted to hold leads in this game. Hereford got the three runs back in the 3rd but South Starrucca scored in the bottom of the inning and again in the 4th. In the 5th, the Highlanders tied it up again on back to back wild pitches. The Highlanders then got their first lead in 6th when Burns drove in Evers, but couldn't hold the lead as the Ainspans tied it a half inning later. Fast forward to the bottom of the 10th, Oscar Stanage reached and moved to third on a bunt and single. Larry Doyle then hit a fly ball to left that brought home the winning run.

SO 7 - HH 6 (10)

Game 2: Rube Foster vs. Ray Fisher

This game was all Foster. He didn't allow an Ainspan hit until the 5th inning when Bob Coleman singled. And he didn't allow another one. South Starrucca managed a pair of walks, but that was all the baserunners. This was Foster's second one-hitter of the playoffs.

HH 6 - SO 0

Game 3: Bob Harmon vs. Red Ames

The Highlanders scored first in the second inning when Hans Lobert tripled and was driven in by poor hitting catcher John Henry, who would prove to be an annoyance to SS much of the series. After trading a few scores, the Highlanders were leading 4-2 going into the 7th. With two men down, the Ainspan hit parade got going. Becker, Cravath, Baker, and Gandil all got base hits and tied it up. The teams traded 0s until the 13th. In the bottom of the inning, Paskert singled and moved to second on a fielder's choice. With two down, South Starrucca walked Lobert to face Henry who drove in the winning run.

HH 5 - SO 4 (13)

Game 4: Ernie Shore vs. Wilbur Cooper

We've had two extra inning games with lots of runs scored and a one sided affair, so now it was time for the pitchers' duel. In the 2nd inning, Gandil led off with a double. Wilson singled and moved Gandil to third, but he wouldn't try to go home on a flyout to left. The Highlanders survived the base hit threat from George McBride, but then Cooper went on to hit Shore (no injury) and walk Doyle to bring in the run. Maybe Cooper should have tried harder to injure Shore because he threw a gem. The Ainspans only got one but that was all they needed to even the series.

SO 1 - HH 0

Game 5: Ray Fisher vs. Rube Foster

South Starrucca got the first run of the game in 5th and we're looking good to take the series lead. But then in the 7th, Fisher walked Paskert and then John Henry (again!) tripled him in. The Highlanders proceeded to load the bases but couldn't take the lead. Rip Williams led off the bottom of the 9th with a double. Wally Smith came in to pinch run. Humphries came in to pitch and walked Evers before Burns got the winning RBI.

HH 2 - SO 1

Game 6: Red Ames vs. Bob Harmon

The series moved back to South Starrucca to see the rematch of game 3's starters. Things didn't look great for the Highlanders when they lost SS Art Fletcher for the remainder of the series in the third. In the 4th, Stuffy McGinnis reached on an error, Lobert walked, and Paskert doubled in a run. Fletcher's replacement, Steve Yerkes, then drove in Lobert. Birdie Cree brought in Evers to extend the Hereford lead to 3-0. The Ainspans cut the lead to two in the 6th and that's how the bottom of the 9th started.

Cravath kicked things off with a single and Home Run Baker naturally singled. With no one down, Gandil tripled the game to a tie. It should have been an easy walk off victory for the Ainspans, but instead Wilson hit a grounder that couldn't bring in the run, Coleman struck out, and Viox hit a popup. In the 10th, Lobert doubled and Paskert walked. A wild pitch and an intentional walk loaded the bases for John Henry. He grounded out to bring in the go ahead run. John Leary then singled in two more runners, deflating the hopes of the Ainspans. Pete Schneider came on to uneventfully close out the World Series.

HH 6 - SO 3 (10)

Hereford gets to take home the plaque!

Congrats to Marty on the great season. This series was really close, three extra innings, plus a separate walk off and a separate one run game. Only the second game was really one sided. The Highlanders just kept on hitting, with many of them coming from unexpected spots (looking at you Henry). It was a fun series to play and enjoy with Marty, Gerry, Tom, and Bob.

Defense was good – only 8 errors combined in 6 games with 8 double plays. Base runners stole only twice in 10 attempts. No home runs were hit, crippling a powerful Ainspan team. Teams drew an identical number of walks.

Superb series, Steve!

Truly a back and forth affair with lots of plays to make things exciting, and lots of strategy to make one think about what not only whats happening at the moment, but what is to come.

We even had a fan run out on the field and get tackled by security! I've never seen that play before.

Went to bed last nite thinking about all the chance we had to score, and even win the game in the 9th inning when we had runner on third and no out. 90 feet away from victory, and we couldn't bring him in! Then I thought about all the times you had rallies cut off also, and it probably came out about even!

Can't complain about that.

We kept each other on our toes, and as you say; only one game was a bit lopsided.

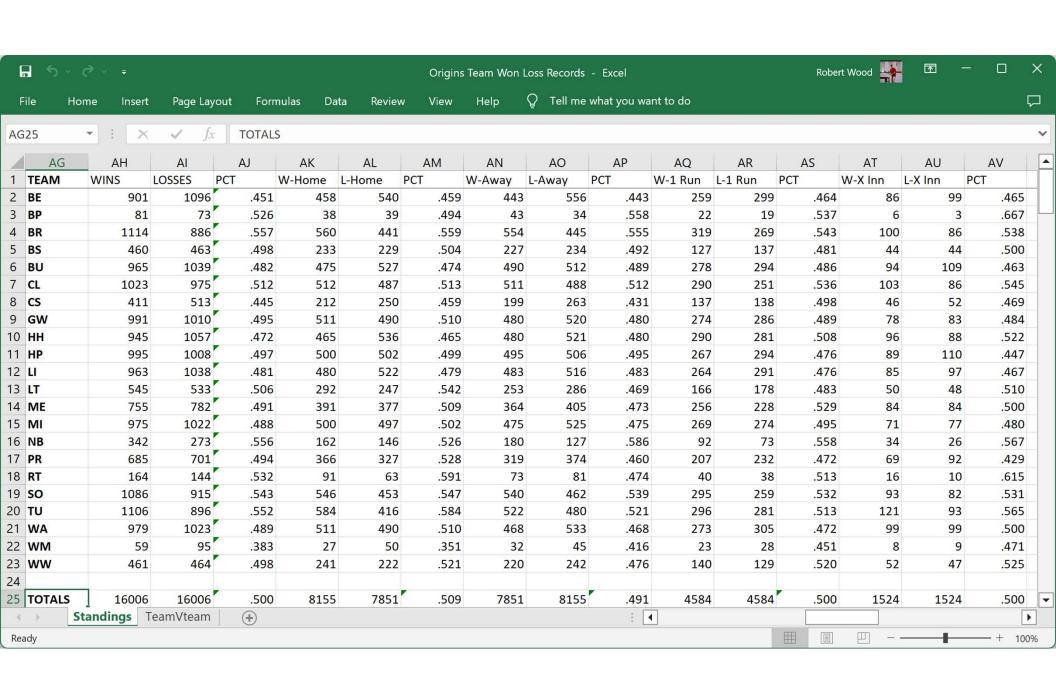

It's a beautiful plaque you'll be getting, you deserve it. You built a team with no 'quit in it'.

But be aware there will be 15 other teams trying to wrest it from you in the next six months or so!

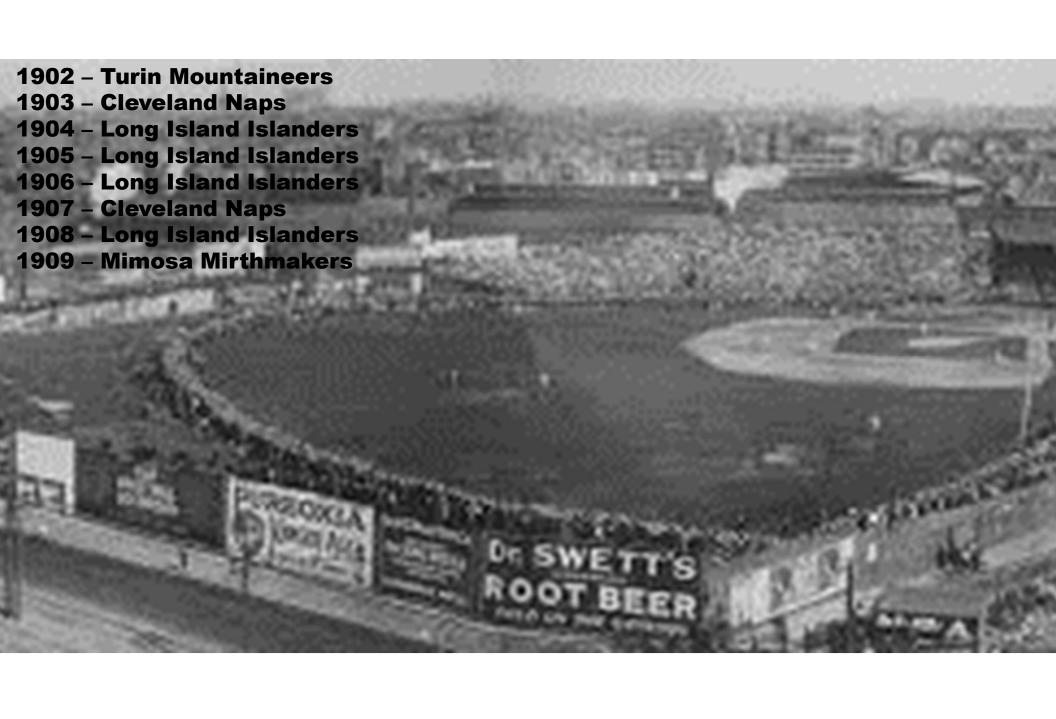

Marty

Our initial season was quite a success. Boston and Turin had to win 1-game playoffs against Hyde Park and Wilderness to advance to the playoffs. Turin then defeated Boston in the first round of the playoffs, winning 4 of the first 5 games. Bradenton also defeated Mimosa in five games. In the World Series, Turin overcame a 3-0 deficit in games, and a 6-0 lead in the 4th game to defeat the Buckeyes in seven games.
